News from the Quilt Basket

Our new web site went live (finally) the end of June. It's designed to support our online and our local customers. There are a lot of new features and even our newsletter is now online.

Stop by at www.quiltbasket.com and remember to register. To register click on Login, then on New Members HERE and fill out the requested information.

This will be the e-mail list we will use for future mailings so be sure to register. In the interest of privacy as well as the concern over unsolicited e-mail (SPAM), we cannot register for you.

MACHINE QUILTING MACHINES

Our customer base and user group continues to grow. Be sure to try out the Handi Quilter 16 and/or the Janome 1600P/New Joy Quilting Table on your next visit and don't forget to mention it to Santa. New in this area are Superior Thread cones, several Handi Quilter gadgets including the new GROOVY Boards (which make perfect pantographs a breeze), and the soon to arrive "Sure Stitch" stitch regulator for the Janome 1600P. Debby Brown will continue her highly successful classes so be sure to check the flyer for her schedules.

JANOME SEWING MACHINES

It's been a year since the MC6600 (sewing) and the MC11000 (sewing and embroidery) came out and both machines continue to win industry acclaim. Be sure to stop by and see our low prices and in-store specials on these machines and other Janome machines. Place your order early to ensure delivery by Christmas.

Elaine Church will be teaching an appliqué quilt done on your embroidery machine (multi-format) so check the flyer for details. Quilt Basket is now a Floriani stabilizer dealer.

Class Policy

We require three or more students to hold a class, with a maximum of six, unless otherwise stated.

Payment for classes will reserve your seat. You can phone in your reservation and hold a seat by using your credit card. Store credit will be given if you notify us of your cancellation at least 2 weeks prior to the start of class, or if there is a waiting list to fill that class. If a class fills, we would be happy to schedule one around you and two or more of your friends.

Our classroom is full of different models of Janome sewing machines and sergers. They are here for your convenience so that you do not need to carry your machine to class. Please take advantage of them.

If you would like a private lesson, we will gladly schedule a lesson with the instructor of your choice. A fee of \$20/hour, billed in hour increments applies. Please call for more details.
