A NEW MACHINE QUILTING TABLE "MAGIC" FROM NEW JOY

This table was designed for your nine inch machine (like the Janome 1600P) and allows you to quilt a 12" block on a 9" machine. It also works with larger throat machines and expands to 12 feet to hold your largest quilts. We have one set up in the store and this table is a must see addition to our complete machine quilting line. We now offer you four tables to choose from along with Janome and Handi Quilter machines.

SURE-STITCH REGULATOR HAS ARRIVED

This accessory to a New Joy table and Janome machine (or other tables and machines) will give you precise stitch length control for machine quilting. Easily installed, this is a must addition for template techniques and will help you in your free motion techniques as well. We have one set up on our New Joy, so come try it out!

PERFECT PANTOGRAPHS

Stylus controlled templates have allowed even Mr. Cathy to quilt a quilt. They are not only easy to use, but they speed up the whole process and are, of course, accurate. These have been available for the larger throat machines but will soon be available for the smaller throat machines using the overhead shelves. They will be arriving in early May, so call first and then come on in and try these out. A tips and techniques class is planned for July, so be sure to sign up for these lecture and hands-on sessions.

JANOME MACHINE SALE

These sewing, embroidery and felting machines offer top quality, innovative features at the lowest prices in the industry. Janome is offering a \$400 rebate through May on the MC11000 so be sure to see this machine and take advantage of additional Quilt Basket sale prices on the MC11000 along with others, such as the Xpression felting machine, the DC 2007LE (as seen on The View), and the MB4 Professional embroidery machine. Be sure to check out Debbie Colgrove's reviews, sample projects and gallery at <http://sewing.about.com>.

Class Policy

We require three or more students to hold a class, with a maximum of six, unless otherwise stated. Payment for classes will reserve your seat. You can phone in your reservation and hold a seat by using your credit card. Store credit will be given if you notify us of your cancellation at least 2 weeks prior to the start of class, or if there is a waiting list to fill that class. If a class fills, we would be happy to schedule one around you and two or more of your friends.

Our classroom is full of different models of Janome sewing machines and sergers. They are here for your convenience so that you do not need to carry your machine to class. Please take advantage of them.

If you would like a private lesson, we will gladly schedule a lesson with the instructor of your choice. A fee of \$20/hour, billed in hour increments applies. Please call for more details.
