HQ PRO-STITCHER®

YOUR IDEAS BECOME BEAUTIFUL COMPUTERIZED QUILTING

Handi Quilter® is a leading manufacturer of quilting machines, computerized and free-motion quilting systems, tables and quilting accessories. Hand-crafted in the USA, HQ Pro-Stitcher's precision stitch-regulated system provides you with the highest quality product, backed by the HQ warranty and network of local representatives. Using integrated HQ technology, the HQ Pro-Stitcher offers the best of both worlds: computerized quilting and free-motion quilting with the flick of a switch.

The HQ Pro-Stitcher is available for the following stitch-regulated HQ quilting machines

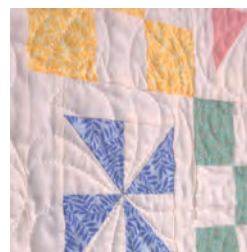

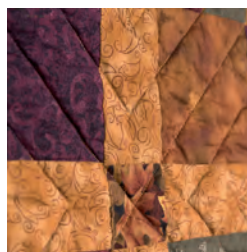

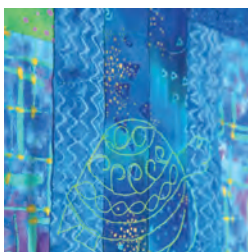

HQ Sixteen®

HQ¹⁸ Avanté®

HQ Fusion®

YOU CHOOSE THE DESIGN. HQ PRO-STITCHER EXECUTES IT PERFECTLY.

Whether you're a beginning long-arm quilter or an experienced show winner, adding the HQ Pro-Stitcher to your HQ quilting machine expands your quilting horizons. Quit worrying about making perfect stitches, the HQ Pro-Stitcher does it for you.

FEATURES AND BENEFITS OF THE HQ PRO-STITCHER

- 8" color touch-screen monitor mounted on your HQ stitch-regulated quilting machine
 - > View and manipulate designs on the screen, right at the machine
 - > Resize, Rotate and Repeat (horizontally and vertically) designs to fit specific areas
 - > Two-point Rotation to place border designs and fit odd angles
 - > Precisely Reposition designs using Find Center Point or Find Start Point
 - > Crop designs to fit your quilt
 - > Find New Start Point if your thread breaks
 - > Set quilting speed and stitches-per-inch

- Steady free-motion movement with minimal cables or wiring attached
- No additional PC needed to run the HQ Pro-Stitcher (PC needed for downloading, creating and storing designs)
- Simple-to-use integrated graphic settings with quilt-friendly menus
 - > Fingertip help menus on every screen
 - > Quilt edge-to-edge or block patterns with confidence in a few simple steps
- Ability to read most available digital quilt patterns (.hqf, .qli, .txt)
- Switch from computerized quilting to free-motion quilting in seconds with a flick of the quick-release mechanism
- Silent, integrated motor-control systems with fluid motion control
- Exclusive design software (QuiltCAD by Cabin Logic) included for designing your own patterns
- Easy-to-download your favorite patterns from a USB port
- Quick set-up; be quilting in no time!
-  Hand-crafted in the USA and built with integrated HQ technology following our 7-step quality control program

ADD HQ PRO-STITCHER TO ANY OF THESE STITCH-REGULATED HQ QUILTING MACHINES
